A Guide to Flowering Shrubs and Trees

Friends of Lower Haw River, Inc. (FLOHA) is an all-volunteer nonprofit organization that provides stewardship, education, and advocacy for the Lower Haw River State Natural Area and the Chatham County segment of the Haw River State Trail, both part of the NC State Parks system.

The Lower Haw River State Natural Area is a great place to observe flowering trees and shrubs. Resources for North Carolina plant species information include the NC Native Plant Society, the NC Natural Heritage Program NatureServe Explorer, the NC State Parks Natural Resources Inventory Database, and the NC Biodiversity Project.
